#### Two Suicides in Illinois Town.

DIKON, Ill., May 23.—Ernest Bachmann, a wealthy German resident, committed suicide by hanging. The body was suspended from a lamp hook in his bedroom. A second suicide occurred later when Miss Emma Wilhelm shot herself while despondent.

## WASTING AWAY

It's the small but constant loss of flesh that indicates physical waste—the gradual slipping away of healthy flesh, pound by pound, which no ordinary food seems to restore. Scott's Emulsion will restore it. This Emulsion is the greatest flesh builder obtainable. Scott's Emulsion first stops the wasting—that's one gain. Then when it supplies new flesh and takes one back to normal strength and weight, that's another gain and a big one.

We'll send you a sample, free. SCOTT & BOWNE, 409 Pearl Street, New York.

### HONOR TO GAINESVILLE BOY

H. LeRoy Taylor Comes Clear in Examination for West Point.

Another Gainesville boy has earned honors in a contest for a cadetship with the result that LeRoy Taylor, a student of East Florida Seminary, who went to Atlanta a few days ago to stand an examination for West Point, won honors easily. Mr. Taylor, who was reared in Gainesville, showed excellent physique, answered all questions in the matter of education in a prompt and effective manner and showed an excellent general training.

Mr. Taylor has "stood the test," has stood the United States examination, and will go to West Point and make the record that the people of Gainesville expect of him. He will leave June 1 for West Point, and will enter as soon as he can reach the school thereafter.

Friends of Mr. Taylor will congratulate him on his excellent record.

#### The Richest Man in the World.

The richest man in the world cannot have his kidneys replaced nor live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating it cured me permanently of kidney disease, which certainly would have cost me my life." Sold by J. W. McCollum & Co.

#### "Oh Miss Mandy."

"Oh Miss Mandy," the "ragtime" song just published by the Success Music Company of Chicago, and which has been placed on sale in this city, is destined to become popular, and are going like the proverbial hot cakes.

The authors of this popular song are Harry L. Alexander, an employee of The Sun, and Avery G. Powell of Lake Butler, the former writing the words and the latter composing the music. Friends of the young men who are judges of music declare the air to be one of the most catchy in "ragtime" they have ever heard, and the authors are receiving the congratulations of the public.

The song has been played for the benefit of the city editor of this paper, and must say that it was about the "catchiest" production of the kind he has ever heard.

#### Herbine

Will overcome indigestion and dyspepsia; regulate the bowels and cure liver and kidney complaints. It is the best blood enricher and invigorator in the world. Andrews, editor and manager Cocos and Rockledge News, Cocos, Fla., writes: "I have used your Herbine in my family, and find it a most excellent medicine. Its effects upon myself have been a marked benefit." Sold by W. M. Johnson.

### JAPANESE GO ON STRIKE.

Lahaina, Hawaii Island, is the Scene of Disorder.

Honolulu, May 23.—A wireless message from Lahaina last night said that the strike situation was improved. The Japanese laborers have quieted down and agreed to resume work next Wednesday. A peaceful settlement of the trouble is expected. A message to the Japanese consul states that the strikers were visiting the home of the Japanese contractor when the police interfered and shot three of them.

Hackful & Co., the local agents of the plantation, sent a message to the plantation asking who shot the Japanese and received reply who did the shooting were in charge of Sheriff Batidwin. It was further stated that the Japanese were attacking the contractor's home.

#### Do Not be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. #### A World Wide Reputation.

White Cream Vermifuge has achieved a world wide reputation as being the best of all worm destroyers, and for its tonic influence on weak and unthrifty children, as it neutralizes the acidity or sourness of the stomach, improves their digestion, and assimilation of food, strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood. #### Aged Man Recovers Estate.

Chicago, May 23.—Lorenzo Pratt, 80 years old, won his suit for recovery of \$260,000 worth of real estate bequeathed his three children while he was ill, Feb. 21, 1903. Judge Brentano decided that the deed given by the aged real estate man to his sons, Rodney and Clayton, and daughter, Mrs. Elizabeth C. Phelps, was worthless, because of the fact that it had never actually been delivered to them.

#### Warning.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for ailments, as it positively cures all forms of kidney and bladder diseases. Sold by J. W. McCollum & Co.

#### To Celebrate 200th Anniversary.

Winona Lake, May 23.—The general assembly of the Presbyterian church today voted to select a special committee to arrange for a celebration during May next year of the 200th anniversary of the formation of the first Presbyterian in Philadelphia. It is the general understanding that this celebration will be held in Philadelphia. The proposition to allow separate Presbyteries in the boundaries of old Presbyteries was adopted with but one dissenting voice. This is to allow separate presbyteries for negroes and foreigners. The board of missions for freedmen submitted its report through Dr. Inglis of Newark, N. J.

#### A Positive Necessity.

Having to lay upon my bed for 14 days from a severely bruised leg, I only found relief when I used a bottle of Ballard's Snow Liniment. ## BEARING DOWN PAINS

3647 Indiana Avenue. CHICAGO, ILL., Sept. 27, 1902.

I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them.

About eight months ago I had to take to my bed, suffering with prolapsus of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me told me of Wine of Cardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery.

In a few weeks I was out of bed and in three months I was in better health and stronger than I had been in years. I take a dose now, occasionally, of Wine of Cardui and am kept in perfect health.

**Mabel Cook**  
Sec'y. Woodman's Circle No. 70.
